SCHOOL OF EDUCATION

Bachelor of Science Applicants

APRIL (2174) GRADUATION DEADLINES AND REQUIREMENTS

Submit an application for graduation to
5500 WWPH by **Friday, January 13, 2017.**

Please note: If you will be graduating with a certification from outside of the School of Education (such as sign language), you must also apply for graduation in the school/department which offers that certificate. It is likely that the other school has much earlier graduation deadlines than the School of Education, so to avoid a late fee, you must inquire with that school ASAP.
