December (2171) GRADUATION DEADLINES AND REQUIREMENTS

Submit an application for graduation to
5500 WWPH by **noon** on
Friday, September 15, 2017
in order to avoid a late fee.

Please note: If you will be graduating with a minor or certification from outside of the School of Education (such as Children's Literature), you must also apply for graduation in the school/department which offers that certificate. It is likely that the other school has much earlier graduation deadlines than the School of Education, so to avoid a late fee, you must inquire with that school ASAP.
