PRESENTATIONS

Invited Presentations:

The digital divide in education and its implications on academic and psychological outcomes: Cross-country and within-country evidence. Comparative and International Education Society, annual conference, Minneapolis, MN. 21 April 2022.

Are there long-term benefits from early childhood education in low- and middle-income countries? Presenter, Honors College and Department of Economics, University of Pittsburgh. 7 February 2022.

COVID-19 and the economic impact of education. Presenter, STAR Scholars Network Webinar. 30 July 2020.

Hank Levin and the messy dress of scholarship. Presenter, Festschrift Symposium: Honoring the Career of Henry M. Levin. Teachers College, Columbia University, New York, NY, 6 March 2020.

Are there long-term benefits from early childhood education in low- and middle-income countries? Presenter, International and Transcultural Studies Workshop, Teachers College, Columbia University, New York, NY, 5 March 2020.

Are there long-term benefits from early childhood education in low- and middle-income countries? Presenter, Comparative, International and Development Education Collaborative (CIDEDEC) Seminar Series, Ontario Institute for Studies in Education, University of Toronto. Toronto, ON, 18 October 2019.

The social benefits of education in the Middle East and South Asia: A behind the scenes look. Presenter, Department of Education Policy and Social Analysis, Teachers College, Columbia University, New York, NY, 12 April 2018.

Behavioral economics and education policy. Presenter, Department of Social and Decision Sciences and Heinz School of Public Policy and Management, Carnegie Mellon University. Pittsburgh, PA, 17 November 2016.

Education policy insights from comparative education economics: The long-term benefits of early childhood education in low- and middle-income economies. Presenter, Department of Education Policy Studies, School of Education, University of Wisconsin. Madison, WI, 20 September 2016.

Education policy insights from comparative education economics: The social benefits of education in low- and middle-income countries. Presenter, School of Education, University of Wisconsin. Madison, WI, 19 September 2016.

Investing in early learning to build future skills. Co-Presenter, Education Global Practice, The World Bank, DC, June 8, 2016.

Reimagining the education school of tomorrow. Roundtable Participant, South Asia Institute (SAI) at Harvard University. Cambridge, MA, May 6, 2016.

Is education a panacea? Evidence from the Middle East, North Africa and South Asia. Presenter, Comparative, International and Development Education Collaborative (CIDEDEC) Program Seminar, Ontario Institute for Studies in Education, University of Toronto. Toronto, ON, March 18, 2016.

Tradition and change in the Middle East and South Asia. Global Fellow and Visiting Professor, sponsored by the Department of Economics, Department of Politics, Department of Religion, and Center for International Education. Washington and Lee University, Lexington, VA, January 20-22, 2016.

Social origins, cognitive skills, and social destinations in low- and middle-income economies. Presenter, sponsored by the Skills Global Solutions Group (GSG) Seminar Series, The World Bank, Washington, DC, December 7, 2015.

The social benefits of education in the Middle East, North Africa, and South Asia. Visiting Scholar and Presenter, sponsored by the Department of Economics and College of Education, Michigan State University. Lansing, MI, October 15-16, 2015.

A comparative study of early childhood education participation and long-term outcomes. Presenter, Office of International Studies in Education (OISE) and Asian Studies Center, Lansing, MI, October 15, 2015.

The social benefits of education in the Middle East and South Asia. Presenter, seminar sponsored by the International Educational Development Program, Graduate School of Education, the Middle East Center, and the South Asia Centre at the University of Pennsylvania. Philadelphia, PA, April 9, 2015.

Raising the bar for education research: Guidance for increased rigor in assessing and generating evidence. Discussant, workshop sponsored by Building Evidence in Education (BE2)—a group consisting of the World Bank, the United Kingdom Department for International Development, and USAID. Comparative and International Education Society, annual conference. Washington, DC, March 8, 2015.

Did Sweden's education voucher system undermine social cohesion? A descriptive analysis of student civic attitudes, 1999-2009. Presenter, Learning Sciences and Policy Research Seminar, School of Education, University of Pittsburgh, PA, September 14, 2012.

The economics of education worldwide: China and India as models for American education reform? Presenter, The Forum of Western Pennsylvania Superintendents, Spring meeting, Bedford, PA, May 2, 2012.

The economics of global education. Guest presenter, Annual Summer Institute for Teachers, The World Affairs Council of Pittsburgh. Duquesne University, Pittsburgh, PA, June 26, 2012.

The World Bank's 2020 Education Sector Strategy. Book launch panelist, Comparative and International Education Society, annual conference. San Juan, PR, April 24, 2012.

Education, employment, and protest participation in the Arab world: Evidence from the 2007-08 Arab Barometer. Presenter, Ford Institute for Human Security, Graduate School of Public and International Affairs, University of Pittsburgh, PA, January 25, 2012.

Education, employment, and protest participation in the Arab world: Evidence from the 2007-08 Arab Barometer. Presenter, sponsored by the Comparative and International Education program and the International Education Student Association at the College of Education, Pennsylvania State University. State College, PA, November 11, 2011.

Education in the developing world: A conversation about the World Bank's education strategy revision. Panelist, Comparative and International Education Society, annual conference. Washington, DC, May 3, 2015.

Education and globalization. Presenter, Pugwash Conference, Purdue University, West Lafayette, IN, April 2, 2011.

Education, income, and public attitudes toward suicide bombing, democracy, and war in predominantly Muslim countries. Presenter, Ford Institute for Human Security, Graduate School of Public and International Affairs, University of Pittsburgh, PA, January 12, 2011.

Education, income, and public attitudes toward suicide bombing, democracy, and war in predominantly Muslim countries. Presenter, Workshop series in Economics of Education, Teachers College, and Lectures in International Development series, School of International and Public Affairs, Columbia University, New York, NY, February, 17, 2010.

Education and support for suicide attacks: Evidence from six Muslim countries. Presenter, Workshop in Political Theory and Policy Analysis, Indiana University, Bloomington. February 4, 2008.

- Invited by the 2009 Nobel laureate in Economics, Elinor Ostrom.

National and International Conferences:

Shafiq, M. Najeeb, Robert Toutkoushian and Alexandria Valerio (2019, April). Who benefits most from higher education in low- and middle-income countries? Paper presented at the American Educational Research Association, Division J: Higher and post-secondary education, annual meeting, Toronto, ON.

Shafiq, M. Najeeb, Amanda Devercelli and Alexandria Valerio (2017, March). The long-term benefits of early childhood education in low- and middle-income economies. Paper presented at the Association for Education Finance and Policy, annual meeting, Washington, DC.
