PITT'S KIDS SUMMER CAMP 2025 INFORMATION

Pitt's Kids Summer Camps will be back this coming summer at Trees Hall! There have been a few changes to the program this coming summer from previous summers. PK will be a full day camp for ages 5-16. This year there will also be a pre and post care option for families to take advantage of. NEW: This year we are adding a 14-16 year-old age group to provide a Counselor In Training experience to young teens.

The 5-16-year-old age group morning programming will be very similar to traditional PK that will feature swimming lessons and gym activities for all kids. Swimming lessons are based off of swimming ability not age group. Gym activities will rotate from session to session. Our goal is to expose participants to several fun team building, creative, and individual activities as possible throughout the summer. Each child will go to lunch at Sutherland Hall, where lunch is provided. In the afternoon of each day there will be different programs for each age group to participate in that we have scheduled. These activities include games in the pool, team sports, rock climbing, scavenger hunts, STEM activities, and more!

Registration for the program will start on Monday, March 17th at 9am. Registration will take place online at www.education.pitt.edu/cll.

More information and our questions please contact, at Cllprog@pitt.edu or 412-648-8278.
