FEATURED SPEAKERS

CEREMONY SPEAKER

Saleem Ghubril

Executive Director, The Pittsburgh Promise

An ordained Presbyterian minister, Saleem Ghubril has devoted his life to serving the people of his community through outreach and education programs. He is a passionate advocate for children and for the City of Pittsburgh. In 1985, Ghubril founded The Pittsburgh Project, a community development organization that provided free home renovations to hundreds of vulnerable seniors each year. It also mentored, educated, and deployed thousands of youth in meaningful volunteer community service. In 2008, Ghubril became the founding Executive Director of The Pittsburgh Promise. The

Pittsburgh Promise promotes high educational aspirations among Pittsburgh's youth, funds scholarships for post-secondary access, and fuels a prepared and diverse regional workforce. The Pittsburgh Promise has supported the post-secondary education of more than 12,500 graduates of the Pittsburgh Public Schools and provided them with more than \$182 million in scholarships.

DEAN'S ADDRESS

Eboni M. Zamani-Gallaher, PhD

Renée and Richard Goldman Dean and Professor,
Pitt School of Education

An accomplished scholar, Eboni M. Zamani-Gallaher's work focuses on equitable participation in higher education; transfer, access, and retention policies; minoritized student populations in marginalized institutional contexts; and racial equity and campus climate in postsecondary education pathways. Prior to her tenure as dean, Zamani-Gallaher served as the associate dean for equity, justice, and strategic partnerships in the School of Education. As a researcher, Zamani-Gallaher has amassed over \$11 million in external funding on projects aimed at improving the field of higher education. In addition to

her work at Pitt, Zamani-Gallaher is a leader in a variety of professional organizations. She is executive director of the Council for the Study of Community Colleges and president of the Association for the Study of Higher Education. Zamani-Gallaher holds a PhD in educational organization and leadership from the University of Illinois Urbana-Champaign and an MS in general experimental psychology and a BS in psychology from Western Illinois University.

CANDIDATES FOR DEGREES

At this ceremony, degrees are conferred upon persons who completed requirements in August and December 2024 and who are expected to for April and June 2025. Because candidates for April and June 2025 would not have completed degree requirements before the printing of the program, it was not possible to provide more than a tentative listing of candidates. The listing of a degree on a University academic transcript is the official testimony of degree conferral. This academic achievement is celebrated through the issuance of a University diploma.
