

PITT'S KIDS INCOME ELIGIBILITY APPLICATION

Community Leisure Learn is the oldest outreach program here at the University. CLL focuses on creating youth and adult programs to serve the community. One of the many programs that CLL offers is Pitt's Kids! This program offers discounts to those families in need and from the local community of the University. The main community that the program serves is the 15219 and 15213 zip codes that encompasses the University of Pittsburgh.

We require all families to complete the application below in order to be considered for the discount. There is limited funding for the program and as a result we can only offer discounts for those families in need and that fall within the Pitt Community. If you have any questions in regards to the application or program please do not hesitate to ask.
